February Updates

The month of February is a busy one at Violet Elementary. Next week will be celebrating our 100th day of school, Valentine's Day, and Jump Rope for Heart. Notes were sent home about all of these events!

It is a very exciting time to be in school. It is probably hard to believe that your student has been in school for 100 days! They have learned so much and there is still so much to learn. Next week we will continue learning a new word family along with the high frequency words. Please help your child study these words at home. Starting next week I will begin spelling tests on Fridays. You will be

given the weekly words to study at home. I will post these words on my website and your child will bring them home on Monday.

Fast Track binders did not go home this week. We will continue with that program next week and I am very impressed with their progress.

We are continuing to work on writing master piece sentences! In our writing we are working hard to compose a complete thoughts. We will soon work on writing an opinion letter. Students may spell words as they hear them. However, words that have been taught should be spelled correctly.

Spelling

For the week of 2-8-16

bet, get, jet, let, met, pet, net, forget

all, am, and, are, black, blue, green, have

Congratulations Learning Club 2 for earning the most tally marks for cooperation and responsibility! Let's try for a whole class pizza party with every learning club earning as many tally marks as possible!

Math Concepts

- Number sense
- In Math we will be working on number recognition to the number twenty. We will continue with extended number patterns as well as non-standard measurement and addition and subtraction up to five.

Social Studies & Science

- Past, Present, Future
- Yesterday, Today, Tomorrow
- Hibernation
- Weather
- Understanding the Seasons

Room 1

February 5, 2016

Important Information!!!

- We have 22 students in our class not 20 as the Valentine letter stated.
- Valentines Day cards will be passed out on Jump Rope for Heart day. Please have your child write their own name on their cards.
- 100th Day homework is due Monday, February 8th!

We are in need of the following items:

Snack donations

Kleenex
