

Dear Parents,

Hello and Happy Almost Valentines!! This a quick letter to let you know about our plans for Valentines which will be celebrated on February 12th. This is also the same day as Jump Rope for Heart. Our morning will begin with children going to the gym for their Jump Rope for Heart session. We will come back to the room and work on various Valentine's Day activities.

If your child would like to bring in Valentines cards for their friends please bring enough for everybody in the class! We have ~~20~~ students in our class. Please have your child write their OWN name on each card. This is a great time to practice first and last name writing. The other students will know who sent them a Valentine and it makes it much easier for children when it comes time to pass out cards. Please do not put the other children's names on the envelopes.

After lunch the children will pass out their Valentines cards. This will be followed by a whole school Jump Rope for Heart assembly.

As you can see we are limited on time. Thank you for your support and have a Happy Valentines!!!

Sincerely,

The Kindergarten Team
